

Wholesalers

Wholesalers/Distributors

Wholesalers/distributors are establishments that sell products to retailers, merchants, contractors and/or industrial, institutional and commercial users. Wholesale distributors commonly do not sell to consumers. Visit any industrial park in your city and you'll find wholesaler and distributor business opportunities.

Product Features

Marine, Ocean Cargo, International and other standard lines, including industry specific coverage enhancements

- Public and private company D&O, E&O

EPL and other specialty lines for most distributor classes

- May include a discount on the BOP when Auto Liability or Workers Comp are written – depending on the carrier

Our carriers offer enhanced endorsements with complete coverage at a lower cost than buying coverage lines individually.
